

TOP SECRET

YOUR COLLEGE ADMISSIONS QUICK ACCESS FILE

As you embark on the college admissions process, you're going to be asked the same questions constantly. It can be overwhelming, but no need to fear - your quick access file is here!

This worksheet will be a great reference as you're going through your applications. The following pages encompass several of the basic questions that most colleges will ask you. Once you have all the info written down here, all you have to do is keep this near your computer for quick access any time these questions pop up, saving you the time and stress of digging around for this info and allowing you to breeze through your applications!
